

## Leading AR Games studio ONTOP Studios joins the Nonvoice Agency

2<sup>nd</sup> February 2023

Nonvoice Agency is delighted to announce that ONTOP Studios, based in Portugal, is the latest AR games developer to sign up with the Nonvoice Agency.

ONTOP Studios has developed a portfolio of around a dozen AR games over the past few years and partnered with many telcos to market them, especially in Europe. The ONTOP Studios offering includes ARcade Sports which are innovative outdoor exercise sports experiences and also multiplayer AR games, which are perfect to show off the capabilities of 5G networks.

Nuno Folhadela, CEO of ONTOP Studios said: “Nonvoice is the perfect partner for ONTOP Studios as we look to expand our reach and relationships into new regions such as North America, Asia and Latin America where Nonvoice has existing telco distribution relationships with its Nonvoice Metaverse service”.

Simon Buckingham, CEO of Nonvoice said: “ONTOP Studios is a leading AR games studio with an extensive portfolio of innovative games and services. We are delighted to partner to bring their existing and future games to a wider global audience”.

### **About Nonvoice Agency**

Founded in 2020, Nonvoice is a global agency that represents the world’s best app developers. The Nonvoice Metaverse connects app developers with distributors and investors who then help accelerate the adoption and deployment of their applications. Nonvoice provides an ecosystem of key parties dedicated to the 5G value chain and the future benefits that these services will bring to the world. This partnership will bridge the gap between web2 game and AR developers that are looking to come into the blockchain space. Nonvoice has integrated and aggregated over 15 consumer apps and experiences for launch across AR games and experiences, education, NFTs/ digital collectibles and sports across the Metaverse. This includes expansive teams and Telecoms from around the world who are looking to jump into Web3. See <https://www.nonvoice.com>
